

## Class 3 Assessment Weight Details for supplied vehicles.

If you are completing the Class 3 NZTA Approved Driver Licence Course using your own vehicle, your vehicle must meet all NZTA requirements:

- Current Certificate of Fitness and COF labels displayed on the windscreen.
- Current Road User Charges licence or E-road.
- Current vehicle licence displayed.

Assessment cannot take place if any of the above conditions are not met.

Vehicle combinations must be loaded as follows:

3 Axle Tractor Unit and Tri Axle Semi must be loaded to at least **21,000 kg**.

4 Axle Tractor Unit and Quad Axle Trailer:

- Truck must be loaded to at least **12,000 kg**
- Trailer must be loaded to at least **10,000 kg**

### Load Restraint Requirements

The load must be properly restrained to the requirements of the Truck Loading Code for the assessment to take place:

- The combined rated strength of all the restraints for loads baulked against the headboard must be equal to the weight of the load.
- For loads not against the headboard, the combined rated strength of all the restraints must be equal to twice the weight of the load.
